

## MASTER OF SOCIAL WORK

### PROGRAMME OUTCOMES (POs):

On completion of the programme, the students will be able to

**PO1: Advanced Knowledge and Specialized Skills:** Graduates will *demonstrate* in-depth knowledge and *apply* specialized skills in their field, *integrating* advanced concepts to address complex problems effectively.

**PO2: Critical Analysis and Research Competency:** Students will *analyse* research literature critically, *design* and *conduct* original research, and *evaluate* data to produce insightful conclusions and recommendations.

**PO3: Professional Communication and Presentation:** Graduates will *articulate* complex ideas clearly and effectively, *present* findings confidently, and *engage* with diverse audiences in both academic and professional contexts.

**PO4: Ethics, Responsibility, and Professionalism:** Students will *demonstrate* a commitment to ethical standards, professional integrity, and responsible practice, ensuring their work aligns with social and professional values.

**PO5: Independent and Collaborative Work:** Graduates will *manage* independent projects successfully and *collaborate* effectively within multidisciplinary teams, showing adaptability, leadership, and cooperation.

**PO6: Lifelong Learning and Innovation:** Students will *engage* in self-directed learning and *embrace* innovative practices, *adapting* to emerging trends and contributing to on-going development within their field.

### PROGRAMME SPECIFIC OUTCOMES (PSOs)

**PSO1: Advanced Understanding of Human Behaviour and Societal Dynamics:** Graduates will *analyse* and *apply* advanced knowledge of human behaviour, societal issues, and community needs, enabling them to develop contextually relevant interventions.

**PSO2: Proficiency in Assessment, Intervention, and Evaluation:** Students will *demonstrate* expertise in assessing individual and community challenges, *designing* targeted interventions, and *evaluating* outcomes to promote positive change effectively.

**PSO3: Commitment to Ethical Standards and Social Responsibility:** Graduates will *uphold* high ethical standards and *advocate* for social justice, inclusivity, and accountability in their professional practice.

**PSO4: Skills in Advocacy and Resource Mobilization:** Students will *develop* and *execute* advocacy strategies, *mobilize* resources, and *support* community empowerment to address social issues at multiple levels.

**PSO5: Cultural Competence and Inclusive Practice:** Graduates will *integrate* culturally sensitive approaches into their work, *respecting* diversity and fostering inclusive, equitable interactions with individuals from various backgrounds.

**PSO6: Research and Evidence-Based Practice:** Students will *conduct* relevant research, *apply* evidence-based approaches in their practice, and *contribute* to knowledge creation, ensuring effective and scientifically grounded outcomes.

### **PROGRAM EDUCATIONAL OBJECTIVES (PEOs)**

**PEO1:** Enrich learners with in-depth disciplinary knowledge and essential skills to contribute to societal development and transformation.

**PEO2:** Enhance professional, employability, and entrepreneurial skills to achieve sustainability in a dynamic global environment.

**PEO3:** Foster values of environmental consciousness and responsibilities, promoting the empowerment and upliftment of rural communities.
