

## BACHELOR OF SOCIAL WORK

### PROGRAMME OUTCOMES (POs):

**PO1: Core Knowledge and Understanding:** Graduates will *demonstrate* a strong foundation in key concepts, principles, and practices of their field, enabling them to *analyse* and *solve* real-world challenges effectively.

**PO2: Problem-Solving and Critical Thinking:** Students will *develop* critical thinking skills and *apply* problem-solving strategies to *evaluate* situations, *identify* solutions, and *make* informed decisions.

**PO3: Effective Communication:** Graduates will *demonstrate* the ability to communicate ideas clearly and persuasively across various platforms, effectively *conveying* information to diverse audiences.

**PO4: Ethics and Professional Responsibility:** Students will *exhibit* ethical behaviour and *adhere* to professional standards, ensuring accountability, respect, and integrity in all their actions.

**PO5: Teamwork and Collaboration:** Graduates will *work* collaboratively with others, *contributing* to team goals and *adapting* to diverse roles and perspectives within group settings.

**PO6: Lifelong Learning and Adaptability:** Students will *commit* to continuous learning and *adapt* to evolving technologies, theories, and practices, demonstrating resilience and growth in a rapidly changing environment.

### PROGRAMME SPECIFIC OUTCOMES (PSOs)

**PSO1: Foundation in Human Behaviour and Supportive Practices:** Graduates will apply knowledge of human behaviour, societal dynamics, and supportive practices to analyse and address individual and community needs effectively.

**PSO2: Problem-Solving and Practical Skills:** Students will develop and apply practical skills in assessment, planning, and evaluation to respond to various personal and social challenges, offering constructive and context-appropriate solutions.

**PSO3: Commitment to Ethical Standards:** Graduates will adhere to ethical principles, including confidentiality, respect, and empathy, ensuring responsible, respectful, and integrity-driven practices in their professional interactions.

**PSO4: Sensitivity to Cultural and Individual Diversity:** Students will recognize and integrate culturally informed approaches, demonstrating sensitivity to different backgrounds and fostering inclusive, respectful relationships with others.

**PSO5: Research and Lifelong Learning Orientation:** Graduates will engage in research, promote data-driven practices, and commit to lifelong learning, enabling them to adapt to emerging needs and developments in their field.

**PSO6: Advocacy and Positive Change:** Students will support positive change, mobilize resources, and promote equality, helping individuals and communities overcome challenges and achieve improved well-being.

### **PROGRAM EDUCATIONAL OBJECTIVES (PEOs)**

The programme will enable the graduates to

**PEO 1:** To facilitate an understanding of the history and context of the communities and societies within which we function.

**PEO 2:** To develop a local and global understanding of the dynamics of poverty and human development, and its impact on various social groups

**PEO 3:** To develop an understanding of the dynamics of the state and civil society organizations in the context of transnational influences.

**PEO 4:** To develop skills for devising and implementing effective, people-oriented interventions to ameliorate the miseries of marginalized populations and develop skills for practice-based research into social phenomena and issues.

**PEO 5:** To develop appreciation for the values of social justice, human dignity, tolerance and respect toward 'the other' in a diverse society.

**PEO 6:** To develop sensitivity toward the vulnerable sections of the population and recognize and uphold their right to participation in governance and to self-determination.

**PEO 7:** To develop professional ethics with reference to self and society and commitment to all aspects of work.
